Choose the best option for your student

PART-TIME INSTRUCTION

To be used by parents who want to share instructional responsibility with an expert teacher

Teacher comes alongside the parent to plan and deliver lessons, and assign homework. Teacher does not grade homework or tests, and does not maintain portfolio.

Includes:

- **3 hours/week of direct instruction where tutor is present and teaching in the home**
- **2 hours/week of homework assignments assigned by tutor (to be completed by student independently)**

Parent is expected to provide the additional hours of direct instruction, homework assignments, and additional support.

Students get a total of **5 hours of homeschooling support weekly from tutor = 20 hours monthly**. Broken down, the parent is paying roughly \$75/hour for tutoring.

FULL-TIME INSTRUCTION

To be used by parents who want to provide homeschool instruction, but not be directly responsible for it.
