Why Schools and Organizations Choose Maryland Teacher Tutors

Our partners can attest that choosing Maryland Teacher Tutors means a choice for value and substance. Our certified teacher-tutor model guarantees and delivers expertise and results. Partnership with MTT affords expert, highly qualified, certified teachers, who deliver high-impact tutoring through evidence-based, data-driven instruction.

100%

of students felt they made growth or were neutral about their growth with their tutors

89%

of students who had a session with an MTT tutor returned for more sessions

91%

of students would like to work with MTT again

Over 80%

of students increased their math MAP scores working with MTT teachers.

Maryland Teacher Tutors is excited to partner with individual schools, school districts, non-profits, and companies to provide a variety of customized tutoring services for students in grades K-12.

100%

of teachers agreed that working with Maryland Teacher Tutors was helpful for their students
